## HALOPAR 20 GU10

### HALOPAR 20 GU10

#### Halogen accent lighting direct from the ac supply

For the same wattage, HALOPAR 20 lamps from OSRAM provide up to 100% higher luminous intensities than conventional reflector lamps. They are real power packs. With their compact dimensions, attractive whole-glass reflector and integrated safety function, the new HALOPAR 20 lamps are perfect for modern open luminaires.
