## Multi-talented halogen lamps

HALOLINE from OSRAM is a general-purpose extremely variable halogen lamp suitable for a wide variety of applications both indoors and outdoors. HALOLINE is ideal for highlighting and for emphasising and accentuating the structure of a room. The lamp can be connected to the ac power supply; no transformer needed. With the ECO version you can also make great energy savings and cost savings, and also help protect the environment with lower CO2 emissions.
